In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

Smoke barrier type "ITP Smoke Curtain" Temperature/Time-Classification D120

placed on the market by

ITP
Industrial Textile Products BVBA
Vilainstraat 47A
B-9300 Aalst

and produced in the factory

B-9300 Aalst

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the approved body has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in Annex ZA of the standard

EN 12101-1:2005 + A1:2006

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on April 18th, 2011 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
